<p><b>Overview:</b> A true exploration of art media for students to create, express, and communicate through the art discipline. Each project will introduce different <i>design elements and principles</i> while building interest and confidence in their ability to excel personally in art.</p>		
<p><b>Essential Questions:</b> How does knowing the contexts, histories, and traditions of art forms help us design and create our own works of art? What materials and techniques will work best to create my composition? How do I safely use and manage materials in the art room? How do I move past frustration and see it as an opportunity to create the unexpected in my art? How does Studio Habits of the Mind help guide where I am in the creative process?</p>
